This policy is read in conjunction with the policies and processes of the relevant Awarding Body that underpins each course and awards the associated qualification.

PART B

1. Glossary of Terms

'Applicant' means the Student or Learner, who has made an application for admission to a particular course in Carlow Institute.

'Student' means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of Carlow Institute by virtue of application alone.

'Learner' means a person who has enrolled in a programme of education and training. Within this policy, the terms 'student' and 'learner' are interchangeable. (Qualifications and Quality Assurance (Education and Training) Acts 2012 and 2019)

'Gender', in line with the definition of "*the gender ground*" in the Equal Status Act 2000, is such that "*one is male and the other is female*" This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise

'Parent' has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

2. Admission Statement

ETB schools are state, co-educational, multid denominational schools underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

As the state provider of education, the ETB sector defines a 'multidenominational' school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Accordingly, Carlow Institute shall not discriminate in its admission of a Student based on the following grounds:

- Gender of the Student or Applicant
- Civil status of the Student or Applicant
- Family status of the Student or Applicant
- Sexual orientation of the Student or Applicant
- Religion of the Student or Applicant
- Disability of the Student or Applicant
- Race of the Student or Applicant
- The Student's or Applicant's membership of the Traveller community
- Special educational needs of the Student or Applicant

As part of the enrolment processes course costs may be payable. The amount charged is in accordance with the legislative and regulatory conditions laid down by the Department of Education and Skills and its agencies.

QQI Act 2012 defines access in relation to learners as:

Admissions – Full-time study

Carlow Institute offers course places to individuals who have applied for a given programme of full-time study. The Institute publishes an annual prospectus outlining the range of full-time courses that it intends to offer for a given academic year. Full-time courses include courses funded under the DES /SOLAS Post-Leaving Certificate (PLC) programme.

Applications

The Institute accepts applications for places on courses for a time-limited period in advance of the commencement of the courses. Full-time courses commence in the Autumn term of each academic year, and the application period is typically for the six months prior to the commencement of term i.e. from the Spring term of the year of entry.

Courses are advertised through the Institute's prospectus, its website and through established third-party means (including Qualifax and Fetchcourses.ie etc.). The Institute holds open days and other information events to support potential applicants to explore the courses offered.

Making an application

Individuals are invited to apply for courses via the Institute's online enrolment system linked from the Institute's website. The Institute aims to offer support, subject to available resources, to applicants that have special needs which make completing an application difficult.

Applications must be submitted with any advertised application fee. **The application fee is non-refundable**, and applications cannot be processed if this payment isn't made.

Applicants must have a valid email address for the application to be processed.

Closing dates for applications

Closing dates for applications are published in the Institute prospectus and on the Institute website. The Institute reserves the right to amend the published closing date, to close applications for any course or to extend the application period. Closing dates may vary from course to course, and it is the applicant's responsibility to make a timely application.

- Over 18 years of age and/or successful completion of the Leaving Certificate (or equivalent international qualification).
- Successful completion of a Level 4 major award (or equivalent international qualification).

- The basic entry requirement to all full-time **Level 6** programmes is the successful completion of a **Level 5** major award (or equivalent international qualification).

Mature applicants

Mature applicants (over 23 years old) are welcome to apply for courses at Carlow Institute. Mature applicants who do not meet the minimum entry requirements, but who have acquired skills or experience, are welcome to apply. The general suitability for attendance on the course is assessed at an interview. All other requirements of this admissions policy, including the application and interview process apply to mature students.

Medical Fitness to Participate

If deemed necessary, the Institute may request an applicant to provide a medical certificate of fitness to participate on the course for which they have applied.

Applicants with Additional Needs

Carlow Institute of Further Education and Training is committed to promoting equality of opportunity and access for applicants who have a disability, specific learning difficulty or medical condition. The Institute endeavours, wherever possible, to make it easier for such applicants to access courses and to participate in student life at the Institute. Applicants are encouraged to ask for assistance from the Institute at the point of application.

Access to additional support is dependent on the applicant/student applying for it. Applicants with a disability or support need, are asked to provide the Institute with information when making a general application. The Institute's ability to support a student with additional needs is dependent on available support resources from the Higher Education Agency.

If further resources are required, the Higher Education Authority require the institute to submit a profile of the applicant and will decide if it (the HEA) will provide the necessary resources to support the applicant. Where adequate resources are not forthcoming, the Institute may be forced to postpone admission until the required resources are put in place.

International Students

All European Union (EU) citizens, and persons with designated refugee status, can access FET programmes in the same manner as Irish citizens. Applicants from outside of the EU must meet all of the visa requirements of the State before enrolling on a course. It is the applicant's responsibility to engage with the State agencies in relation to visa requirements. KCETB and its Colleges and Centres do not engage with the visa process.

Ex-offenders

Applications from ex-offenders, or persons in the process of being released from prison, must be accompanied by a written letter of recommendation from a member of the staff of the education service of the prison, the probation service, or the prison service.

Other Applicants

Applicants coming through probation services must provide a security assessment with application.

Processing Applications

All applications are processed on a first-come, first-served basis. Applicants will be invited to attend an interview and will be emailed details of their interview time and date, which will vary by course. Applicants are expected to attend for their scheduled interview appointment and the Institute reserves the right to cancel an application if the applicant fails to attend the interview.

Interviews

All applicants are required to complete an interview. Most interviews take place in late August following the Leaving Certificate results, but some courses have earlier interview sessions in May. The interview is administered to help the Institute assess the level and interest of the student for the course they have applied for. This interview will not be used as a basis to exclude any student. All intending applicants will be notified of the date and time of their interview.

Institute staff will assess if the course is the right option for the applicant at an interview. This assessment is made through a structured interview process, and the applicant's responses will determine an assessment of their suitability for the course.

The applicant will be guided through questions to ensure that they are in a position to succeed on the course. Applicants will be able to ask about the course and the opportunities available. **Only the**

applicant may attend for the interview itself – family/friends are not permitted to participate in the interview process.

Interview Assessments

Interviews are conducted by Institute Teaching staff, and an established framework is used for all applicants.

Subject to the requirements of relevant education legislation, the following criteria are used to offer place on Institute courses

- The applicant's interest and aspirations in the chosen subject area
- The applicant's awareness of this area
- The academic and practical/occupational potential of the applicant to achieve on the programme
- Previous academic outcomes and exam results
- Prior and relevant experience of the chosen area without formal education

The Institute's ability to offer places on courses is also determined by

- Permission and funding from Department of Education and Skills/SOLAS or relevant funding agency to run the course
- Availability of places on individual courses and numbers recruited
- Adequate enrolment to run the course

Admission to a course is governed by three principles that will be assessed through the application form and the interview:

1. That, in the professional judgement of the School Authority (the term 'School Authority' as in the regulations, indicates the Chief Executive, or an officer delegated to act on her/his behalf), and following an interview (if deemed appropriate) the student/learner is suitable for a course
2. That, in the professional judgement of the School Authority, the applicant, because of previous education, training or experience, is considered likely to benefit from participation
3. That, in the professional judgement of the School Authority, applicant's participation will contribute positively to the course and in no way infringe upon the opportunities or rights of other students/learners or staff

Interview Decisions

If, in the opinion of the Institute, the course is the right choice for the applicant, the applicant is offered a place, where the applicant is considered likely to benefit from attendance at the course/activity.

Where Carlow Institute is not oversubscribed, applicants who meet the entry requirements and the interview process will be offered a place on the course for which they have applied. Information relating to the courses on offer, and any course specific entry requirements is available to applicants, in the Institute prospectus or website. Course content is reviewed on an ongoing basis and may result in course modification.

If, in the opinion of the Institute, the applicant is not ready to undertake a course, unlikely to succeed, or needs more time to develop skills, the applicant will not be offered a place. Instead, the applicant will be guided to step-up options, by referral to Kilkenny & Carlow Education and Training Board's Adult Guidance Service.

The outcome of the interview is communicated to the applicant via the Institute's online enrolment system. It is the responsibility of the applicant to check the status of their application on the system.

Offers of a place on a course are conditional, which may include grade outcomes in pending examinations, and are subject to general suitability for the course as determined at the interview.

The number of places available on each course is limited and waiting lists may apply for courses. All courses are subject to minimum enrolment, and in the event that a course is not available, applicants will be advised of alternative choices on offer. The programme content shown in any prospectus (print or online) is indicative and is **subject to change** according to Awarding Body requirements as well as enrolment and resources.

Oversubscription -When the number of applications exceeds the number of places available, a waiting list shall be compiled which shall remain valid only for the academic year in respect of which the applications are made. Where Carlow Institute is in a position to offer further places that become available on a particular course during that academic year, places will be offered in accordance with the order of priority in which Applicants have been placed on the waiting list.

For the avoidance of doubt, if an Applicant does not receive a place in the Institute for a given academic year, but s/he wishes to be considered for admission in the following academic year, a new application must be made on behalf of that Applicant during the dates specified by the Institute as being the period when it will accept applications.

Selection Criteria

Carlow Institute will apply the following criteria for admission to a course:

- The Applicant meets the entry requirements for their selected course
- The Applicant has attended for interview for the course that they have applied for

- (iv) If deemed necessary by the School Authority, or delegated officer, as part of the processing of an application an applicant may be invited for a second interview

Refusal

It is the responsibility of the applicant to check the status of their application on the system.

Applicants are required to accept the Institute's offer of a place on a course via the Institute's online enrolment system. Appendix 2: English language proficiency test

English language assessment tools will be devised centrally and administered locally by designated staff.

In order to ensure fair and consistent assessment of English language proficiency across and within centres, the following measures will be compulsory:

1. A number of staff from each centre will be trained to conduct and mark assessments to ensure a common understanding of language levels and consistency of marking across centres.
2. Centres will be required to make arrangements to ensure that assessments are only conducted by designated assessors. To allow for the possibility of scheduling late registration during holiday periods, centres could request support from the Adult Education Service in administering and marking assessments.
